Private Spa

Your relaxation options range from modern to traditional. All are designed to soothe your body and mind, at the privacy of your villa.

Soothing body massage

Soothing body massage to reduce tension.

Aromatherapy

Using organic essences of aromatic plants that give powerful effect on mind and body, giving a calming or stimulating effect. Essential oils in your bath is a great way to eliminate stress from your body.

Ancient Hot Stone therapy

Relaxing long stroke lomi-lomi massage pampered by warm stone heat flows deep, radiating & relaxing muscle and connective tissue by placing stone on the point of the muscle to increase blood circulation. Reduce back pain & tension headache, detoxification.

Royal Javanese body exfoliation

(please book one day earlier)

Traditional blend of Indonesian herbal elixir, a deep cleansing treatment that removes dull surface skin cells, producing healthier looking skin. The massage will loosen tight muscles and is followed by royal fresh flower bath to smooth your skin.

Tension relief

A back massage to loosen tight muscles in the neck, shoulders and back.

Foot reflexology

A natural way of balancing and stimulating the body.

Lemongrass body scrub

The rich anti-oxidants, essential oil and mineral of Lemongrass will scrub gently away dead cells of skin, followed by massage to relax muscle tension.
