VILLA DESCRIPTION

VILLA 3113 IN UMALAS, BALI

This luxury six bedroom property has been created with meticulous attention to detail and can comfortably accommodate the needs of up to 12 adult guests. Access into the villa is via a paved laneway set back from the street to ensure complete privacy. An unimposing entrance gate opens up to reveal a spacious garden environment with a waterway running the entire length. Towering palms and

indigenous flora have been planted randomly and are surrounded by manicured lawn. The main body of the villa envelopes this area and consists of several bedrooms with glass panelled doors that slide wide and open when desired.

Location

Blessed with a generous landscape that extends to a river embankment amidst the fertile rice terraces of Umalas, Villa 3113 is a stunning property that embodies the concept tropical living.
