VILLA DESCRIPTION

VILLA 1205 IN ANGUILLA, CARIBBEAN

This 15,000 sq ft retreat sits proudly surrounded by water on three sides, giving you some of the most spectacular panoramic views of the sea. The living room is decorated with Italian furnishings and perfect location to enjoy the sunset every evening, You can dine indoors or under a 40 foot covered terrace overlooking the pool and ocean.

Relax and enjoy the Olympic size swimming pool and deck areas. There are comfortable poolside lounge chairs for sunbathing and umbrellas and covered areas when you need a little shade. The pool is surrounded by coral granite and this is repeated in the umbrellas and loungers.

Five bedrooms with ocean views, each with ensuite bathrooms. They are replete with air conditioning, fans, screens, cable TV, Internet, DVDs and VCRs. A sixth bedroom is also available with king size bed and ensuite bath at an additional charge.

A full time concierge is present to make any arrangements you require. The concierge can reserve a Masseuse, personal trainer or secretaries as needed. If you would like to eat out the concierge can make the necessary arrangements for transportation and a reservation at any of Anguilla's superb restaurants.

A full time chef from Lyon, France will prepare all your meals. A circulating staff of ten will be totally invisible until you require their services. Special Features - Air Conditioning throughout the villa. 15,000 square feet. State of the art music system throughout. Floral gardens and jasmine lanai throughout, heated Olympic size pool, night time pool fiber optic display. Amazing Night Lit Private Tennis Court.
