VILLA DESCRIPTION

VILLA 1600 IN NICOYA PENINSULA, COSTA RICA

The Villa is a 4 bedroom 4 1/2 bath house on the Nicoya Peninsula in Costa Rica. It is oceanfront and all the 3 upstairs bedrooms have balconies that face the ocean. The first floor bedroom, the 4th bedroom, opens onto a terrace that overlooks the ocean. The home was designed to have the true "beach" feel by its cross ventilation design. Though, we do have A/C in all bedrooms for our guests' comfort should they choose to use it.

The 4th bedroom has a computer and fax with internet access. It includes daily housekeeping, complimentary laundry service, pre-stock villa and a cook.

The area offers many activities to make this an enjoyable vacation for all. Guests may choose: canopy tour, wildlife refuge, ATV tour, horseback riding on the beach, deep sea fishing, yoga classes, spa, golf

and much more. All bedrooms have satellite TV.
