VILLA DESCRIPTION

VILLA 113 IN MAHE, SEYCHELLES

Seychelles Villa 113 is located in the north of Mahè at Bel Ombre, 10 minutes by car to Victoria the capital and two minutes from the famous Beau Vallon beach. This beach is the most popular amongst tourists and most of the major hotels, bars and restaurants are centered here. However you can also enjoy going to a more private beach across the road from the house with beautiful white sand, great swimming and snorkeling.

The house is lovely with a special rustic charm and set in beautiful lush tropical gardens overlooking Bamboo River: the villa provides the ideal location and the real essence of the Seychelles. Inside you can find a fully equipped kitchen (washing machine, fridge, stove and oven etc.), master bedroom with King size bed, bathroom with shower and bath, lounge room with television and two sofa beds, and a mezzanine with double bed and single bed for a child. The house can sleep 5 persons comfortably.

The house has a wide veranda where you can eat or enjoy the cool evening breeze. There is also a gazebo in the garden nestled amongst the tropical flowers where one can listen to the sounds of birds, the river flowing by and the sea ... a real taste of paradise.

Outside there is a handy shower to remove the salt and the sand when you came back from the beach. The house has private parking for two cars. Every day there is someone who comes to clean the house and the manager is close by to assist you in any way and ensure that you have a wonderful stay in the Seychelles. A bus stop is just outside the premises which takes you directly to Victoria. Shops for your groceries and restaurants are only a minute walk away.
