## VILLA DESCRIPTION

### VILLA 3335 IN BERAHA, BALI

Villa 3335 is an interconnected 6-bedroom luxury villa showcasing tropical Miami architecture, adorned in white with natural wood accents. Interiors feature dark green, grey and blue palettes. The villa offers a 12-seat dining table, showcase and wet kitchens, a breakfast island, separate living and entertainment spaces, a studio workspace, and an upstairs entertainment room.

The expansive pool, deck, and gardens offer ample space to relax and play.

## Bedrooms

- Upstairs in the main living pavilion
  - *Three Bedrooms* together with a central living zone.
  - One of the rooms is a Bunk Room sleeping 4 guests.
  - All three rooms have a stunning indoor ensuite bathroom and all the comforts you will need for your stay.
  - With private balconies offering views across the pool and garden and a great floorplan for families.
  - One of these rooms can be twin bedding or King as required.
- On the ground level next to the pool
  - A bedroom pavilion with *two more interconnected bedrooms*.
  - There is a day bed available for children and a desk for catching up on some emails in peace.
- In a freestanding pavilion
  - *The sixth bedroom* offering privacy, again with its own luxury bathroom.

## Features

- Villa have 18m swimming pools, each with a children's shallow play area with a circuitous step seat around the edge for easy access and added comfort next to the sofa living area. Adults can effortlessly supervise activities while sipping refreshing wines and cocktails.
- Indoors are multiple living and entertainment spaces, including downstairs and upstairs media rooms,

- At the back of the villas are staff, storage, genset rooms, ample parking spaces for cars and scooters, and sliding gates for security.
- On the sundeck are eight loungers interspaced with shading umbrellas. Oversized vases separate the deck from the lawn, all surrounded by vibrant gardens.
- Outside the dining room, both villas feature versatile living spaces. One villa boasts sunken sofas poolside, while the other has natural wood settees and armchairs around a coffee table. These inviting spots provide perfect views across the pool, sun deck, lawns, and gardens while luxuriating in opulent comfort.
- Guests are greeted by a 12-seat dining table next to the breakfast island complemented by well-appointed designer and wet kitchens nearby.
- On one wing of the building is a dedicated living and media room
- opposite side of living and media room boasts a studio workspace ideal for focused guests with views across the pool and gardens
- Upstairs is an additional entertainment room to keep children happily engaged, especially during an event.
- Flat-screen TV
- Wi-Fi
- Safe Deposit Box
- Air conditioning
- Hair dryer

## Staff

- The villa manager can assist with table reservations, tours, bookings, and other Bali activities.
- Our butler and housekeepers are delightful, probably the most visible during guests' stays, who will always keep the place immaculate
- Gardener and pool attendants
- Night time security.

## Things To Do

- Indulge in the unique flavours of Balinese cuisine, an integral part of the island's fascination. Elevate your holiday by learning new culinary skills and authentic Indonesian recipes. We are happy to tailor unforgettable **cooking classes** to suit your expertise.
- Enhance your Amenara experience with some **rejuvenating spa moments**. Our skilled therapists specialize in various body massages and facial treatments, drawing inspiration from traditional Balinese healing techniques. Indulge in spa sessions by the pool, on the deck, in the privacy of your bedroom or in a tranquil garden spot.

## Location

- Villa's location is mere steps from the best shopping, cafes, eateries, and supermarkets in central Berawa, yet it is favoured by its quiet and peaceful locale.
- The beach is walkable, too, so are Finns and Atlas beach clubs with Caf   del Mar and Mari a scooter ride away.
